

UNDP team visits FCCI

31 January 2005 source: Khaleej times

FUJAIRAH — A UNDP delegation in the UAE visited the Fujairah Chamber of Commerce and Industry (FCCI) to conduct a comprehensive survey on development in the Fujairah emirate in order to put necessary proposals and recommendations for the implementation of small projects, in collaboration with the authorities concerned.

Khalid Mohammed Al Jasim, Director-General of the Fujairah Chamber of Commerce and Industry, reviewed the industrial and commercial projects in the emirate, and efforts to train UAE nationals to undertake private business ventures.

The UNDP delegation pointed out that it would give special attention to training for provision of technical support in building the human resources, that will help shape the future of the UAE and its people, in collaboration with Fujairah Chamber of Commerce and Industry.
